### Chapter 1 by \*rigbyrules\*

I love him, yet I hate him. I want him to disappear forever, and I long for him in my every waking hour. I feel as though he must leave, but I want more than anything for him to stay. He is my everything. He is my love. His name is Josh Andrews. Every day when I walk through the halls, I see him and I smile, but to him, I don't exist. I'm just a gust of wind to him, well to everyone. I'm just a ghost, just a, well nothing, because 25 years ago I died.

### Chapter 2 by \*rigbyrules\*

Let me tell you about that day. It was 2014 and I was living in Portland, Oregon. I was walking to school. I made it to school fine, but then my day got worse. The Senior Varsity football team always played pranks on people, and it was my turn, but it wasn't your everyday prank. It was pouring rain and they dug a pit in the field. it quickly filled with water. They said they had a surprise and blindfolded me. Before I knew it I was unable to breathe, my mouth was filling with water. They chanted my name, "Abby, Abby, Abby", but then they weren't chanting it, they were screaming it, "ABBY, RESURFACE BREATHE!" I tried to pull myself out but I couldn't see anything through the blindfold. A person jumped in, but I was already losing feeling as I lay

there limp in the cold, murky water. I knew I was dead, yet I saw the outside world. I touched the football players hands as they dived in. I saw the school bus. They didn't leave. At first they lied and said I tripped, but then one of them said the school bus. Now senior pranks are illegal.
